Onboarding Software Comparison Sheet

Remote Onboarding Software I'm Considering:			
Software Pricing		Automates Employee Reminders	
Has A Mobile First Experience		Has Administrative Structure Opportunities	
Accommodates All My Hires		Has Reporting Capabilities	
Handles Form I-9 For All My Hires		Allows Bulk Uploads, Updates, And Actions	
Creates An Easy Implementation Process		Features Robust And Easy Rehire Options	
Customer Service Is Great		Enables Remote I-9 Verification Without The Cost Of An Agent	
Secures Employee Information Well		Has A Well Documented API To Build Integrations	
Holds Up To Government Or Third Party Audits			
Keeps Onboarding Simple For My Employees			
Makes Error Resolution Easy For Me		Additional Product Purchasing Opportunities	
Additional Notes
